

JULIE E. HORWITZ
CURRICULUM VITAE

Licensed Psychologist

Colorado - #3626

Massachusetts - #9379

Diplomate of the American Board of Professional Psychology

Board Certified in Clinical Neuropsychology (#7878)

CURRENT POSITION

May 2024 – present

Director, UCCS Aging Center

University of Colorado, Colorado Springs (UCCS)

Colorado Springs, CO

- Director of academic non-profit organization serving primarily low-income individuals ages 55 and above, with services including individual and group psychotherapy, caregiver family training and caregiver support, neuropsychological assessments, and neuropsychological screening via Memory Clinic.
Responsibilities of position include:
 - Providing and directing training of master's- and doctoral- level psychology and social work students.
 - Providing direct clinical supervision of doctoral-level psychology and master's-level social work students.
 - Coordinating supervision with Psychology Department faculty and Aging Center clinical staff.
 - Providing direct clinical services, including psychotherapy and neuropsychological evaluations, to patients.
 - Managing patient waitlists and assigning cases.
 - Coordinating research efforts with the UCCS Gerontology Center.
 - Managing Aging Center staff, including office and clinical staff.
 - Managing Aging Center budget, in coordination with office staff and Psychology Department.
 - Applying for grant funding and participating in fundraising campaigns to support Aging Center budget.
 - Managing, overseeing, and revising Center policies.
 - Ensuring overall smooth operations of the Center.

EDUCATIONAL HISTORY

- 2009** Ph.D. *Clinical Psychology*
University at Albany, State University of New York
Albany, NY
- Dissertation: *Boston Naming Test Performance in Young Adults: An Investigation of Ethnocultural and Educational Factors in Performance and Emotional Response*
Committee members: Robert J. McCaffrey, Ph.D., ABPN, ABPdN (Chair), Julie K. Lynch, Ph.D., Drew Anderson, Ph.D.
- 2006** M.A. *Psychology*
University at Albany, State University of New York
Albany, NY
- Thesis: *Effects of a Third Party Observer and Anxiety on Tests of Executive Function*
Committee members: Robert J. McCaffrey, Ph.D., ABPN, ABPdN (Chair), Julie K. Lynch, Ph.D.
- 2000** B.S., *cum laude* *Washington and Lee University*
Lexington, Virginia
Major: Psychology
- Fall 1998** *Queen Mary and Westfield College, University of London*
London, England
- Summer 1998** *Virginia Military Institute*
Lexington, Virginia

CURRENT PROFESSIONAL INTERESTS

- Inpatient Neuropsychology
- Neuropsychological Intervention
- Cross-Cultural Neuropsychology
- Early Detection of Neurodegenerative Diseases

HONORS

2004 – 2007

Presidential Fellowship

University at Albany, State University of New York

- The University selects Presidential Fellows based on a graduate student's merit, as determined from Graduate Record Examination scores, undergraduate grades, and letters of recommendation. The fellowship provides a stipend for three years of graduate study.

CLINICAL EXPERIENCE

Jan. 2024 – present

Neuropsychologist, PRN

Rehab Without Walls

Denver, CO

- Provision of neuropsychological services to patients enrolled in home- and community-based rehabilitation due to stroke, traumatic brain injury, long COVID, and other neurologic insults.
- Neuropsychological services may include formal evaluation, provision of psychoeducation to patients and family, and/or provision of short-term psychotherapeutic intervention to assist in coping with mood-related sequelae and adjustment to injury.
- Participation in family conferences and team care conferences.
- Ongoing consultation with the rest of the interdisciplinary treatment team in order to assist in optimizing patients' ability to benefit from treatment by identifying and addressing both cognitive- and mood-related barriers.

Oct. 2011 – Aug. 2023

Neuropsychologist

Memorial Hospital, University of Colorado Health

Colorado Springs, CO

- Inpatient neuropsychologist housed on the Rehabilitation Patient Care Unit. Assessed and followed patients with a variety of presenting problems, including stroke, traumatic brain injury, seizure disorder, multiple sclerosis, other neurologic and neurodegenerative conditions, and various mental health conditions. Provided information and psychoeducation to patients and family. Participated in family conferences, team care conferences, and daily huddles. Feedback provided to patients, families, and other members of treatment team via documentation and verbal consultation.

- Referrals accepted from other units, including acute care, intensive care unit, and emergency department, as well as from Memorial Hospital North and Grandview Hospital. Patients seen for a variety of referral questions, including questionable decision-making capacity, assessment for safety to live independently following discharge, and differential diagnosis regarding delirium, dementia, other sources of cognitive impairment, and psychiatric disorders.
- Participation in weekly Neuro Tumor Board Rounds.
- Outpatient neuropsychological evaluations with individuals with dementia, traumatic brain injury, epilepsy, multiple sclerosis, and various mental health conditions.
- In-services provided to other disciplines:
 - *Neuropsychology: What is it Good for?*
 - *When No Medical Cause is Found: Somatoform Disorders, Factitious Disorder, and Malingering*

Sept. 2009 – Sept. 2011

Neuropsychology Postdoctoral Fellow

Edith Nourse Rogers Memorial Veterans Hospital
Bedford, MA

Year Two:

- Neuropsychology Inpatient Clinic. Clinic coordinator. Consults received for inpatients from multiple units, including nursing home, rehabilitation, and acute psychiatric. Referrals related to a variety of cognitive, psychiatric, and behavioral concerns. Responsibilities included modifying clinic procedures (including battery development, establishment of timelines and deadlines for work completion), reviewing consults and appropriately assigning to trainees (including self), assessing inpatients (including chart review, interviewing, neuropsychological testing, scoring, interpretation, report writing, and providing feedback to patients, family, and interdisciplinary treatment team), and supervising assessments conducted by junior trainees. *Supervisors:* Maureen O'Connor, Psy.D., ABCN; Lee Ashendorf, Ph.D.
- Neuropsychology Outpatient Clinic. Conducting neuropsychological assessment (including chart review, battery selection, interviewing, testing, scoring, interpretation, report writing, and providing feedback) with patients with a range of ages and referral questions, including those related to stroke, TBI, substance abuse, dementia, ADHD, LD, seizure, and various psychiatric issues. *Supervisors:* Maureen O'Connor, Psy.D., ABCN; Lee Ashendorf, Ph.D.

- Provision of individual cognitive rehabilitation.
- Co-leader of cognitive rehabilitation group for OEF/OIF veterans with TBI, PTSD, and general deployment-related cognitive impairment.
- Presentation of four seminars to neuropsychology staff and trainees. Topics include Inpatient Neuropsychology, Cross-Cultural Neuropsychology, Neuropsychology of Metabolic Disorders, and Symptom Validity Testing. Attendance at remaining weekly neuropsychology seminars.
- Participation in weekly neuropsychology case conference.
- Performance of administrative tasks (e.g., patient scheduling, documentation).
- Individual supervision received (2+ hrs/week).

Year One:

- Geriatric Inpatient Clinic. Assessment of older inpatients with a variety of cognitive, psychiatric, and behavioral concerns. Responsibilities included chart review, interviewing, and neuropsychological testing, scoring, interpretation, and report writing. Feedback provided to patients, family, and interdisciplinary treatment team. *Supervisor:* Brandon Ally, Ph.D.
- Memory Diagnostic Clinic. Assessment of older adults with memory-related concerns and disorders within an interdisciplinary treatment team, following a psychometrician model. Responsibilities included chart review, interviewing, report writing, and providing feedback to patients and families. *Supervisor:* Maureen O'Connor, Psy.D., ABCN
- Polytrauma Clinic. Cognitive screening of returning OEF/OIF veterans. Responsibilities included chart review, interviewing, and neuropsychological testing, scoring, interpretation, report writing, and provision of feedback. *Supervisor:* Lee Ashendorf, Ph.D.
- Provision of individual cognitive rehabilitation.
- Participation in neuropsychology seminar and neuropsychology case conference, each held weekly.
- Participation in general clinical seminars, including Diversity (biweekly), Ethics (monthly), and Administration (monthly).
- Performance of administrative tasks (e.g., patient scheduling, documentation).
- Provided in-service to nursing staff:
Working with Family: A Collaborative Approach
- Individual supervision received (2+ hrs/week).

Sept. 2008 – Aug.2009*Psychology Intern*

Boston Consortium in Clinical Psychology

VA Boston Healthcare System, Boston, MA

- Clinical Fellow in Psychiatry, Harvard Medical School
- Teaching Fellow in Psychiatry, Boston University School of Medicine

- Eight-month major rotation: General and Geriatric Neuropsychology (Sept. 2008 – April 2009)
Supervisors: William Milberg, Ph.D., ABPP/CN, Laura Grande, Ph.D., Susan McGlynn, Ph.D., ABPP/CN, Maxine Krengel, Ph.D., Catherine Fortier, Ph.D., Malissa Kraft, Psy.D., Elizabeth Leritz, Ph.D.
 - Conducted neuropsychological assessment (including interviewing, testing, scoring, interpreting, report writing, and providing feedback) with patients through four clinics, including:
 - Geriatric clinic (GRECC; dementia screenings)
 - Polytrauma Clinic (involved screening returning veterans for neuropsychological impairment, PTSD, and depression)
 - General Outpatient Clinic (patients with range of ages and referral questions, including those related to stroke, TBI, dementia, ADHD, LD, seizure, and psychiatric issues)
 - Harold Goodglass Aphasia Research Center (presented and discussed cases in aphasia rounds)
 - Co-leader of Returning Veteran/Polytrauma Group and Memory and Aging Group.
 - Carried two additional long-term therapy patients.

- Four-month minor rotation: Rehabilitation Psychology (May 2009 – August 2009)
Supervisors: Sigmund Hough, Ph.D., ABPP/RP, Phillip M. Kleespies, Ph.D., ABPP
 - Fulfilled psychology and neuropsychology-related responsibilities on interdisciplinary rehabilitation treatment team on Spinal Cord Injury (SCI) Unit, including conducting neuropsychological screenings with inpatients and outpatients, psychotherapy with inpatients and families, and participating in team rounds, meetings, and seminars.
 - Psychotherapy with outpatient couple.

- Co-led patient education sessions: Psychosocial Adjustment to SCI; Sexuality and Sexual Functioning in SCI
 - Co-led caregiver support group.
 - Led and participated in Journal Club.
 - Provided in-service to interdisciplinary SCI staff: *Diversity Issues in SCI*
- Individual supervision received (4+ hrs/week).
 - Year-long participation in intern didactics (2-4 hrs/week).

Oct. 2007 – Aug. 2008

Psychology Assistant
Sunnyview Rehabilitation Hospital
Schenectady, NY
Supervisor: Andrew Hess, Ph.D.

- Scored neuropsychological assessments of children with brain injuries in rehabilitation hospital serving inpatient and outpatient populations.
- Individual supervision received.

Sept. 2007 – May 2008

Neuropsychology Advanced Practicum Student
Albany VA Medical Center: Samuel S. Stratton
Albany, NY
Supervisor: Mina Dunnam, Ph.D.

- Interviewed and administered, scored, and interpreted neuropsychological assessments for older and younger adult veterans.
- Referral questions related to TBI, blast injury, stroke, dementia, PTSD, and ADHD.
- Test selection based on referral question.
- Case conferences attended.
- Individual supervision received.

May 2007 – May 2008

Neuropsychology Advanced Practicum Student
Schoharie County Mental Health Center
Schoharie, NY
Supervisor: Robert J. McCaffrey, Ph.D., ABPN

- Conducted neuropsychological assessment (including interviewing, testing, scoring, interpreting, report writing, and providing feedback) with adults and children from a rural outpatient population.
- Referral questions related to a wide variety of psychological symptoms and diagnoses and cognitive impairments.

- Test selection based on referral question.
- Individual supervision received.

August 2006 – June 2007*Neuropsychology Practicum Student*

Sunnyview Rehabilitation Hospital
Schenectady, NY

Supervisors: Robert Gillen, Ph.D., ABCN; Quintin Poore, Ph.D.; Gia LaRuffa, Ph.D.

- Administered, scored, and interpreted neuropsychological assessments in rehabilitation hospital setting serving inpatient and outpatient populations.
- Adults referred for TBI, stroke-related impairment, dementia, epilepsy, and range of other conditions.
- Wrote reports.
- Observed and participated in Wada testing.
- Attended grand rounds.
- Individual supervision received.

Sept. 2005 – May 2006*Psychology Practicum Student*

Psychological Services Center

University at Albany, State University of New York

Supervisors: Drew Anderson, Ph.D.; John Forsyth, Ph.D.

- Assessed and treated adults with variety of psychological disorders using psychotherapy (primarily those deemed Empirically Supported Treatments [ESTs]).
- Clients largely derived from a low socioeconomic status population; clinic fees based on sliding-scale.
- Feedback received with review of closed-circuit monitoring and videotaped sessions.
- Wrote reports and progress notes.
- Individual and group supervision received.

Summer 1999*The Rock Creek Foundation*

Silver Spring, Maryland

- Internship working with the homeless and mentally ill.
- Planned and implemented group sessions and outings.
- Conducted patient satisfaction surveys.
- Attended educational seminars.
- Completed required documentation.

Sept. 1996 – May 1997*Project Horizon*
Lexington, Virginia

- Completed 30 hours of training on issues concerning domestic violence and sexual assault.
- Volunteered on domestic violence and sexual assault hotline.

Winter 1996*Mental Health Unit, Glens Falls Hospital*
Glens Falls, New York

- Volunteer worker for art therapy classes.

RESEARCH EXPERIENCE**2012 – present***Authorship on various studies and publications, as able (see Peer-Reviewed Publications, Book Chapters, Conference Paper Presentations)***Sept. 2009 – Aug. 2011***Center for Translational Cognitive Neuroscience (CTCN)*
Boston and Bedford, MA

- Participation in cognitive intervention study investigating the impact of visual imagery techniques on associative learning, standard neuropsychological test performance, and functional memory performance. Responsibilities included research design, data collection and analysis, and manuscript preparation.
Research advisors: Andrew Budson, M.D.; Maureen O'Connor, Psy.D., ABCN; Brandon Ally, Ph.D.

Sept. 2008 – Aug. 2009*Co-author, VA Boston Healthcare System Mental Health Service Line Self-Study of Diversity*

- Analyzed, consolidated, and wrote up department self-study, including recommendations for recruitment and retention of faculty from diverse backgrounds, promotion of diversity-related research, and disseminating information related to Diversity Committee services.

April 2007 – April 2008*Research Assistant*

Alzheimer's Center and Neurosciences Research
Center, Albany Medical Center
Albany, NY

Principal Investigator: Stephen Romero, Ph.D.

- Volunteered as assistant on two studies investigating neuroplasticity and social cognition among individuals with Alzheimer's disease, frontotemporal dementia, and mild cognitive impairment, as well as cognitively intact participants.
- Data collected from participants included fMRI and neuropsychological test results.
- Reviewed charts and created databases of potential research participant information.
- Contacted and recruited patients.
- Ran participants and entered and analyzed data.
- Experience gained in MATLAB and voxel-based morphometry (VBM).
- Supervised two undergraduate students.

Aug. 2004 – Aug. 2008*Graduate Research Assistant, Neuropsychology Lab*

University at Albany, State University of New York
Albany, NY

Advisor: Robert J. McCaffrey, Ph.D., ABPN

- Designed, conducted, and analyzed research related to neuropsychology and neuropsychological assessment.
- Statistical analysis using SPSS.
- Administration and scoring of neuropsychological assessment battery as part of study on PCB exposure.
- Supervision of undergraduate assistants.
- Wrote and published manuscripts.

March 2002 – May 2004*Technical Research Assistant*

Brigham and Women's Hospital, Harvard Medical School
Department of Obstetrics and Gynecology
Division of Gynecologic Oncology
Boston, Massachusetts

Supervisor: Christina A. Bandera, M.D.

Senior Principal Investigator: Samuel C. Mok, Ph.D.

- Performed laboratory techniques including immunohistochemistry, cutting of frozen and paraffin-embedded tissue sections, cell culture, laser microdissection, PCR, CGH

Microarray, and 2-D protein gels on studies related to ovarian and primary peritoneal cancers.

- Edited manuscripts.
- Created and maintained spreadsheets for data entry and analysis.

Sept. 1999 – May 2000

Senior Thesis/Experiment

Washington and Lee University, Department of Psychology
Lexington, Virginia

Advisor: Jeanine S. Stewart, Ph.D.

- Studied effects of zinc pollutants on fish olfactory-related behavior and physiology.

TEACHING AND SUPERVISION

Spring 2024

Lecturer

University of Colorado, Colorado Springs (UCCS)
Colorado Springs, CO

- Taught graduate level Clinical Neuropsychology course to geropsychology and trauma psychology doctoral students.

Fall 2022

Clinical Supervisor, Advanced Neuropsychology Practicum

Memorial Hospital, University of Colorado Health
Colorado Springs, CO

- Provision of clinical supervision to 5th-year neuropsychology doctoral student

July 2019 – July 2020

Clinical Supervisor, Advanced Neuropsychology Practicum

Memorial Hospital, University of Colorado Health
Colorado Springs, CO

- Provision of clinical supervision to 5th-year neuropsychology doctoral student

July 2018 – July 2020

Dissertation Committee Member for Cara Bussell, M.A.

“Factors that Influence Assessors’ Capacity Decisions for Patients Requesting Death with Dignity”

University of Colorado – Colorado Springs
Colorado Springs, CO

July 2016 – Aug. 2017

Dissertation Committee Member for Ashita Gurnani
“The Colorado Cognitive Assessment (CoCA): Development of a Screening Tool that Provides Process Information and is Scored Using Modern Psychometrics”
University of Colorado – Colorado Springs
Colorado Springs, CO

June 2015 – Oct. 2016

Clinical Supervisor, Advanced Neuropsychology Practicum
Memorial Hospital, University of Colorado Health
Colorado Springs, CO

- Provision of clinical supervision to 4th-/5th-year neuropsychology doctoral student, including at least one hour of direct one-on-one supervision per week, in addition to supervision of report writing and other as-needed supervision.
- Supervision primarily related to outpatient neuropsychological assessment and feedback with individuals with dementia, traumatic brain injury, epilepsy, multiple sclerosis, and various mental health conditions.
- Additional supervision related to neuropsychological assessments with inpatients and manuscript preparation for clinical case studies.

Sept. 2010 – Sept. 2011

Neuropsychology Supervisor, with supervision-of-supervision
Edith Nourse Rogers Memorial Veterans Hospital
Bedford, MA

- Provision of neuropsychology supervision for predoctoral interns, with accompanying supervision-of-supervision (provided by Maureen O’Connor, Psy.D., ABCN and Lee Ashendorf, Ph.D.)
- Participation in biweekly neuropsychology supervision seminar for senior postdoctoral fellows.

Sept. 2009 – Sept. 2010

Therapy Supervisor, with supervision-of-supervision
Edith Nourse Rogers Memorial Veterans Hospital
Bedford, MA

- Provision of therapy supervision for Suffolk University practicum student, with accompanying biweekly supervision-of-supervision (provided by Brian Zuzelo, Psy.D.).
- Participation in weekly supervision seminar for postdoctoral fellows.

Spring 2006

Teaching Practicum
University at Albany
Albany, NY

- Course covered various issues related to teaching undergraduate coursework, including teaching philosophy, syllabus development, classroom management, lecture and exam preparation, grading, and ethics.
- Course also involved developing and presenting lectures in psychology to undergraduates.

Sept. 2000 – June 2001

SPUSA Education Center
Prague, Czech Republic

- Taught English classes, including grammar, conversation, and writing to non-native speaking children, adults, and businesses, including classes at Radio Free Europe and with the Director of Czech Radio.

June – August 2000

Adirondack Community College
Glens Falls, NY

- Adjunct Faculty; taught Movement and Dance course as part of gifted summer scholars program.

ADMINISTRATIVE EXPERIENCE**March 2002 – May 2004**

Technical Research Assistant
Brigham and Women's Hospital, Harvard Medical School
Department of Obstetrics and Gynecology
Division of Gynecologic Oncology
Boston, Massachusetts

- Performed lab management tasks including managing grant budgets and ordering supplies.

COMMITTEE EXPERIENCE**2024**

Member, Psychology Diversity Committee
University of Colorado, Colorado Springs

- 2021 - 2023** *Member, UCHHealth Medical Group Inclusion Committee*
Memorial Hospital, UCHHealth
- 2016 – 2021** *Chair, Education Committee*
National Academy of Neuropsychology
- Coordination of projects and tasks related to organization’s continuing education programming.
 - Attendance at biannual board meetings.
- 2013 – 2015** *Member, Education Committee*
National Academy of Neuropsychology
- Oct. 2009 – Sept. 2011** *Member, Multicultural Advisory Committee (MAC)*
Edith Nourse Rogers Memorial Veterans Hospital
Bedford, MA
- Sept. 2008 – Aug. 2009** *Member, Diversity Committee, Mental Health Service Line*
VA Boston Healthcare System

EDITORIAL ACTIVITIES

- 2019** Editorial Board for *Developmental Neuropsychology: A Life-Span Developmental Journal*
- 2017** Ad Hoc Reviewer for *Journal of Alzheimer’s Disease*
- 2016** Ad Hoc Reviewer for *Cognitive Neuropsychiatry*
- 2012** Ad Hoc Reviewer for *Cognitive and Behavioral Neurology*
- 2011** Ad Hoc Reviewer for *Canadian Journal of Behavioural Science*
- 2009 – present** Ad Hoc Reviewer for *Perceptual and Motor Skills*
- 2006 – present** Ad Hoc Reviewer for *Archives of Clinical Neuropsychology*

PROFESSIONAL ACTIVITIES

- Nov. 2007** Conference student volunteer for the 27th Annual Conference of the National Academy of Neuropsychology
Scottsdale, AZ
- Oct. 2006** Conference student volunteer for the 26th Annual Conference of the National Academy of Neuropsychology
San Antonio, TX
- Oct. 2005** Conference student volunteer for the 25th Annual Conference of the National Academy of Neuropsychology
Tampa, FL

PEER-REVIEWED PUBLICATIONS
